## **Defamation Notice**

Submissions made to the Planning Authority are placed on the public file and will be placed on the Authority's website. Please be aware that comments involving allegations of any kind against a named or otherwise identifiable person or organisation may be viewed as defamatory by the subject of the comments. Persons making submissions may be sued directly for any defamatory allegations and should avoid making such allegations.

Please note that in the event of any potentially defamatory allegation giving rise to legal action against it, the Planning Authority may seek indemnity from the person making the allegation. It should be understood that the Planning Authority is only concerned with issues relevant to the proper planning and sustainable development of the area and that personalised comments are generally not relevant to its deliberations.

**Submissions/Observations must be accompanied by the prescribed fee of €20.**
