

Laois Passport

“Unravelling Laois” came about as part of a collaborative DEIS and Creative Ireland funded project that was run with parents in Scoil Bhríde Knockmay in association with the Home School Community Liaison Co-ordinator in the school and the Adult Literacy Service at Portlaoise FET Centre.

Parents compiled pieces of art and writing based on their experiences visiting a range of places in county Laois. This Passport was developed at the end of the project to enable parents to bring their children to each of the sites during the summer months. We hope you enjoy your visits as much as we did- don't forget your camera!!
