

- The history of the Adidas factory on Halloween
Chapter 1 The time of Halloween hits the Adidas factory,

On Halloween Day in 1987 something bad happened to the Adidas factory in Dublin,

On Halloween the Adidas factory in Dublin produce shoes that had Halloween decorations on them,

Then suddenly, A fire started. Everyone was afraid of the fire except the Adidas manager,

All the shoes with Halloween decoration on them went up in flames and the regular shoes, and all off the products,

Author: Matt Treacy Graham

Chapter 2 The famous tennis player Rafael Nadal and the Adidas factory manager vs the headless horse man.

After the fire the manager saw that the fire was started by...
THE HEADLESS HORSE MAN.

So the manager called Rafael Nadal and told him to bring an explosive tennis racket. That hits explosive tennis balls.

So it was Rafael and the manager vs the headless horseman with all the power of Halloween.

Chapter 3 The fight

The headless horse man called Darth Vader to fight with him before the fight started.

It was the manager vs the headless horseman and Rafael vs Darth Vader.

Bang pumpkin bomb from the headless horseman pew pew from the revolver that the manager shot.

Crash crash from Vaders light saber BOOM! BOOM! From Rafael explosive tennis ball.

Next chapter on the back.

Chapter 4 The winners of the
the fight,

They fought and fought
for seventeen hours,

~~BA NIA~~ Vader die's,

Pew pew pew pew BOOM BOOM
finally the headless horseman
die's,

SO the good guys win,
After Rafael flys back to
Spain,

And the manager gets his workers
and re-builds the factory,
