

Information for Beneficiaries of Temporary Protection in Ireland

If you hold temporary protection in Ireland, your current permission is valid until 4 March 2025. If you wish to continue to hold this permission up to 4 March 2026 you will need to apply to renew your permission online.

The online application process will become available 13 February 2025.

You are strongly encouraged to make this application as soon as possible, in order to ensure that you have a valid Temporary Protection permission.

How to Apply Online to renew your Temporary Protection Permission

To apply online, please visit the Irish Immigration website at the link below:

<https://inisonline.jahs.ie/user/login>

You will need to create an account on the ISD portal, using your email address, or log in, if you have an existing account. Once you have done this, you should select 'Applications for Registration Renewals (including Temporary Protection)' and select 'Ukraine Temporary Protection Renewal'.

As part of the online renewal process, you will be required to submit the following documents:

Proof of Identity - Passport, National ID Card, Birth Certificate, Other ID Document

Proof of Permission - Temporary Protection Certificate; TP Replacement Letter; Irish Residence Permit

Proof of Residency in Ireland - Could include, but are not limited to: Evidence of employment; Proof of residence (e.g., lease agreement, utility bills); Education records; Documentation of contact with government agencies, etc.)

Other Documentation (Optional) - If applicable, you may upload any other relevant documents that support your application.

All beneficiaries are required to complete separate applications. A parent/guardian can complete a form on behalf of a minor. Please ensure to tick 'YES' below if you are filling out an application on behalf of a minor.

Your Irish Residency Permit (IRP) Card will be processed together with your Temporary Protection. You do not need to apply to renew your IRP Card separately.

We may ask you to present in person at Citywest Transit Hub, in order to obtain further information from you about your application. If this is the case, you will receive an email to advise you of this, and then an officer will be in touch by phone to arrange an appointment. Please note, phone calls will be from a withheld number.

If you are asked to present at Citywest, please ensure that you bring all the necessary documentation with you on the day.

Please note that once you have submitted your renewal application your current Temporary Protection permission will remain valid until you have completed the renewal process. This will be confirmed by an email notification once your application for renewal is completed.
