Continued overleaf: -

- **Collection of rubbish by Bord na Mona will ONLY OCCUR THE WEEK AFTER CLEAN UP from 24th to 28th April 2023 in bags provided to you by Laois County Council.**
- **Please review the collection schedule overleaf as this may influence when you undertake your clean up (e.g., weekend clean up should only take place on 22nd/23rd April 2023).**
- **Clean Up Laois branded sacks and An Taisce sacks will be distributed to all registered groups and will be the only ones collected by our campaign sponsors Bord na Mona.**
- **Please note that participants are responsible for their own health and safety, and we recommend that all groups register with An Taisce to ensure they will be covered by their Public Liability Insurance for National Spring Clean activities.**
- **Please visit [Clean-up-Laois-week-booklet.pdf](#) for tips on how to organise your clean up, stay safe and help promote your event.**
- **Please segregate clean and dry recyclable goods at source for separate recycling (this may not be necessary as items that are collected are probably neither clean nor dry)!!**

- **I/we understand that only litter and litter related items will be collected during our Clean Up i.e., no bulky waste, domestic waste or green waste e.g., grass or hedge cuttings will be accepted.**
