Re: CEMP Update for Unit 1 (Coolnabacky) of Laois Kilkenny Electricity Reinforcement Project – ABP Reg. Refs. VA0015.

Dear Ms Brownrigg,

I refer to the abovementioned project at Coolnabacky, County Laois and specifically to the CEMP approved as part of condition 11 by LCC on 9th February 2024.

ESB wish to inform LCC of an environmental consultant change to *Table 8 Contact Details for Main Contractor Kilwex Ltd* (Section 6.4) of the CEMP and in line with Section 6.3 of the CEMP on *Roles and Responsibilities*. The passage of time has resulted in the original personnel being unavailable.

- The Environmental Manager now engaged for the project is **Mr. Cormac Hennessy (08X XXXXXXX)** from **Enviroguide Consulting**.
- The Project Ecologist engaged for the development is **Mr. Bryan Thompson (08X XXXXXXX)**, also from **Enviroguide Consulting**.

The phone numbers have been redacted for confidentiality and GDPR purposes but will be provided to Anne Marie Callen, LCC Environmental Officer by separate confidential email so that the details are available to LCC.

The live version of the CEMP will be updated to reflect this change.

If you have any queries please contact me on 086 8336990 or Brendan.allen@esb.ie.

Yours sincerely,
