- Note 1: Written dimensions are preferred, do not scale dimensions. All dimensions to be checked before work commences and any discrepancies reported. All traffic Management to be carried out in accordance with Chapter 8 of the Traffic Signs Manual in force at time of construction.
- Note 2: All signage to be erected outside visibility plays at junctions and site access.
- Note 3: Traffic Management will be audited and monitored in order to ensure safety and adequate traffic maneuverability. Should changes be required, drawings will be revised accordingly.
- Note 4: Interaction with local residents and landowners will be carried out by the main contractor.
- Note 5: All lighting requirements within the works area will be the responsibility of the main contractor.
